About Kirkby in Bloom [KIB].

It was created over 30 years ago and helps to keep Kirkby looking great. We plant and maintain all the many containers around the village, the Jubilee Garden, the Westend Green and Island and many other areas around the village. More recently we initiated the Kirkby Green Day which we run each year. We always aim to be wildlife and environmentally responsible. We acknowledge and thank everyone who keeps their front gardens looking colourful and tidy, who pick up litter & generally care for the village – together with other community groups & events, including the Highside Playing field, the Mechanics, WI etc, We all help make Kirkby Malzeard the lovely place it is.

T & Cs apply: KIB can only accept one entry per Child. Incomplete entries and entries received after the competition closing date will be disqualified from the competition. The winners' names may be published in the next edition of The Fountain, on the KIB notice Board, The Village Website and Facebook, and local media. No correspondence will be entered into regarding the competition. Each entrant hereby assigns to KIB the complete copyright of their design to use as is considered suitable. No cash alternative will be provided for the prize. Prizes are subject to availability. In the event of unavailability an alternative prize of similar value and specification will be substituted. Entry to the competition assumes acceptance of these terms and conditions.
